

MY GRANDAD

He was a pattern
of warm sincerity
complete gentility... my Grandad.

A vital being
radiating cheerfulness
unperturbed by fearfulness... my Grandad.

Whatever the task
undismayed by magnitude
embued always with fortitude... my Grandad.

Esteemed by all
nor foes nor animosity
Faith, Hope and Generosity personified in Grandad.

A Godly gentleman
of simple faith unwavering
he often said 'Death has no sting'...my Grandad.

His trust in me
God grant I yet will justify
and help me to ascend as high as Grandad.

Farewell, Grandad... I know he's gone
for duty done
to Paradise.
